

A NOTICE TO HUMANITY

5th May 1970 in the early morning at Nargol, India

HH Shri Mataji opened the primordial Sahasrara at Cosmic level – the seventh chakra that is the integration and pinnacle of our spiritual evolution.

'As soon as the Sahasrara was opened, the whole atmosphere was filled with tremendous Chaitanya, and there was tremendous light in the sky, and the whole thing came on this earth. I started seeing all that and got lost in the joy. It was like an artist seeing his own creation, and I felt the joy of great fulfillment'

A NOTICE TO HUMANITY

HH Shri Mataji's gift to mankind

HH Shri Mataji is revered as the compassionate Divine Mother by her followers, as the *Messenger of peace* by Ayatollah Rouhani, an Avatar of the modern era by Claus Nobel, grandnephew of Albert Nobel (the creator of the Nobel foundation) and Chairman of United Earth

In the history of spirituality no other divine personality has had such a profound impact upon the world as the Greatest Incarnation HH Shri Mataji.

No divine person before HH Shri Mataji has been able to awaken the final Sahasrara Chakra on a cosmic level so that all human beings can attain their self-realization.

Fulfilments of all that was promised to Mankind

Sahaja Yoga was created by Shri Mataji when she opened the Sahasrara, and gradually spread around the world like a silent, inner revolution - and spiritual prophecies have been fulfilled.

In the early morning hours of the 5th of May in the year 1970, disgusted with the falsehood spread by self-proclaimed New Age *gurus*, and desiring that all the Seekers of Truth attain their Self Realization, on the small beach of Nargol (about 150 km from Mumbai, India), HH Shri Mataji opened the primordial Sahasrara — the seventh center that is the integration and pinnacle of our spiritual evolution.

'It is the greatest event of all the spiritual happenings of the universe... Without this happening, there could not have been the possibility of giving en-mass realization to people. As soon as the Sahasrara was opened, the whole atmosphere was filled with tremendous chaitanya, and there was tremendous light in the sky, and the whole thing came on this

earth, as if a torrential rain or a waterfall with such tremendous force as if I was unaware and got stupefied.

The happening was so tremendous, and so unexpected that I was stunned and got totally silent at the grandeur

I saw the primordial Kundalini rising like a big furnace, and the furnace was very silent but a burning appearance it had, as if you heat up a metal, and it has many colours.

I started seeing all that and got lost in the joy. It was like an artist seeing his own creation, and I felt the joy of great fulfilment.

After coming out of this beautiful experience, I looked around and saw human beings so blind and I became absolutely silent, and desired that I should get the cups to fill the nectar.'
